2023 CCM Updates

Proceeds from the 2022 CCM Golf Tournament were used to help the ministry to become self-supporting in many ways.

We are thankful for your generosity and hope the tournament and resulting Christian fellowship is a blessing and encouragement.

In February we were able to return to full blown medical mission trips. We had 62 people on our mission team from Cambodia, Australia, Philippines, Canada, and USA. We provided 12,261 medical treatments (dental, eye glasses, physician exams, prescriptions). We also conducted LeaderCare Seminars for hundreds of house church leaders at CCM Center and around the country.

Goals & Objectives

CCM's mission is for God to use us to bless the people of Cambodia physically and spiritually. All of our works, from medical mission trips to drilling water wells to leadership training seminars and Cambodia Bible School (CBS) all work together for the spiritual salvation of the Cambodian people.

This is a photo of our CBS students. Most of these young men and women will go back to their villages to plant churches or teach in our future Christian School/Orphanage.

Above is a picture of participants in a LeaderCare seminar. About 500 house church leaders come annually from around the country for Bible teaching.

Funds from the 2023 CCM Golf Tournament will go toward building our Christian School/Orphanage for grades K-12. ***Two generous donors have given \$91,000 in matching funds for the building of the CCM Christian School/Orphanage. Double your blessing for the Christian school/orphanage with every dollar you give.***

We are reaching some of the goals for future plans to turn much of the ministry and work over to Cambodian Christians. Sokhom Hun and Mike Meierhofer will continue to oversee the work.
